

Irvine's American Dry Gin

Chef Curated Flavor

A new classic that infuses an American-grown, non-GMO corn distillate with a balance of chef selected botanicals to create a versatile gin that will shine in a classic Gin Martini, hold up to the bold flavors in a Negroni, and complement a tonic in a refreshing G&T.

PRODUCTION

Hybrid distillation approach of pot boiling and vapor infusion extracts bold and delicate aromas for a flavorful, smooth, and complex gin.

FLAVOR PROFILE

Thirteen hand-selected botanicals including elderberry, black currant, Ceylon cinnamon, and tea create a flavorful, aromatic gin.

CHEF'S PAIRING

Shake up a delicious Bee's Knees and try it with a Mediterranean Meze.
